What does my policy cover?

- Your policy includes Drivewise®. It looks like you haven’t been actively participating, so you’re missing out on potential savings. Be sure all drivers on your policy have activated Drivewise in the Allstate® mobile app and take at least 50 trips over the next few months. The way you drive would then play a role in the price you pay at renewal. To maximize your savings, stay connected and avoid risky driving behaviors.
